

## WebEx Replay Assistance for AskTHEO Live TV

You can see the full replay on a computer! All you have to do is scroll forward to see it. And you can see full screen video if you choose – Keep Reading.

We allow people to join the event 20-30 minutes early and the recording starts as soon as the first person logs on. The current WebEx replays have dead air (23 minutes of the 'Create Extraordinary Relationships' and 33:50 minutes of the 'Manifest a Loving Romantic Relationship') and we can't edit it out. WebEx is aware of the issue and they're working on it.

After clicking PLAYBACK you see a message that starts with 'There is no content to view...'  
We can help. Scroll Down...

Go to the bottom left of the screen, click on the circle and drag it right to scroll the replay to the right time (00:23:00 or 00:33:50) and then CLICK the triangle PLAY button to start.

ALSO, you can now watch full screen video replays by clicking on the double arrow icon in the upper right hand corner of the video of Sheila or Marcus.

To minimize the video simply click on the same double arrow icon.

If you have additional support questions we pay the experts to support you! Please feel free to contact Cisco WebEx technical support at [www.webex.com](http://www.webex.com) or 1-866-863-3903.
